

Usher Syndrome in Louisiana

4th Symposium & USH ONE SEE 5K & 1 Mile Fun Run Packet Pickup

Friday, September 15, 12 to 6 p.m.
Cecil J. Picard Center, University of Louisiana
Lafayette

When you pickup your packet, you are invited to attend any of the Educational Sessions and Workshops on Usher Syndrome

On Friday, race participants can pick up their packets and learn more about Usher syndrome, the management of vision loss associated with Usher syndrome and research being done to help those with Usher Syndrome. In addition, workshops offered throughout the day will allow those with Usher syndrome an opportunity to learn about and participate in current research studies. At the end of the day, we will be viewing and discussing the documentary *Quiet Cajuns*.

Educational Sessions are FREE and will run in short, repeating sessions throughout the day.

NO REGISTRATION REQUIRED

For information, contact strotochaud@usher2020.org or call 877-926-0859.

Join the Usher syndrome community to learn more and celebrate Usher Syndrome Awareness Day 2023.
